

# CHANGE FRAMEWORK

## ASPIRATIONS

*Start with your aspirations for Deeper*

## BEHAVIORS

*Get specific about what behaviors you hope to see.*

## "BIG IDEAS"

*Take inspiration from the world of Deeper Learning.*

## SMALL "HACKS"

USE LEVERS  
*Brainstorm elements you can design.*

HACK IT!  
*Do quick, cheap experiments.*

## OBSERVE BEHAVIORS

*How are your hacks changing behaviors? Are you making progress towards your aspirations?*

School Retool is a professional learning fellowship. We support school leaders in changing school culture using small, scrappy, experiments we call “hacks.”

These levers are key to the change process—elements you can design to influence behaviors & mindsets that make up your school culture.
