

State your topic!

Go for a human-centered problem that all your students can relate to.
Stuck? You might redesign a common object or a universal experience.

**DRAFT YOUR OWN
DESIGN CHALLENGE**

A Challenge Frame

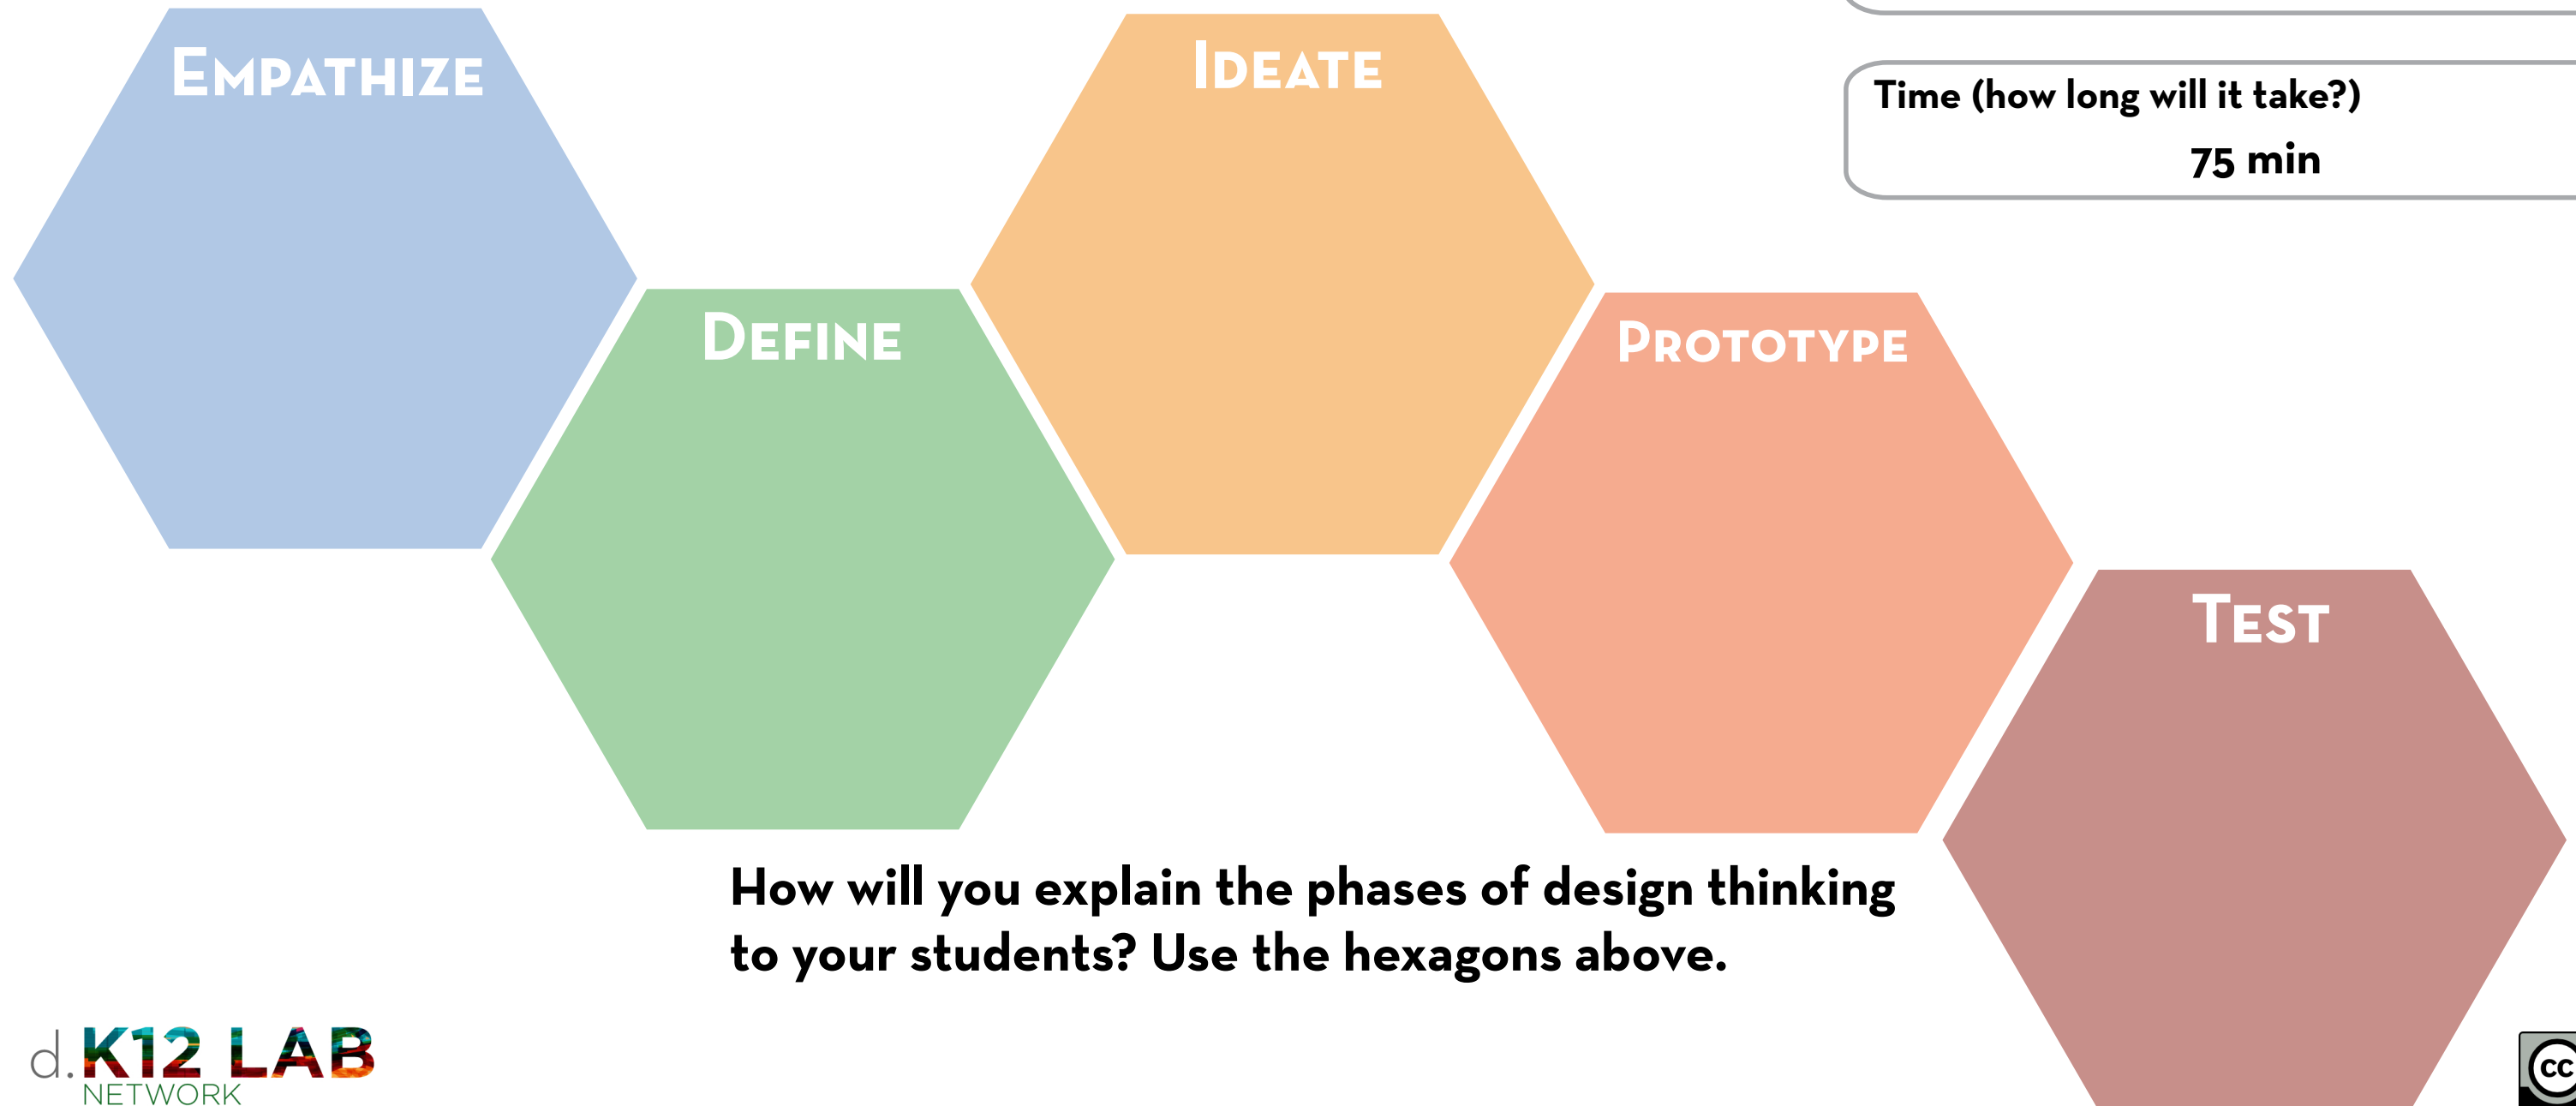

Try these sentence starters: Design a way to... How Might We... Redesign the... Reimagine how...

Constraints to work with:

Audience (age? grade?)

Time (how long will it take?)

75 min

How will you explain the phases of design thinking to your students? Use the hexagons above.
