

# HACK DESIGN: Post-shadow reflection

## One thing I saw that I want to change is:

*An opportunity for change at your school.*

## My aspiration for a school is:

*Broad, inspiring goal.*

## Behaviors I'd like to see:

*Specific behaviors of students, teachers, parents, administrators, policy makers, etc.*

## Brainstorm, keeping in mind the levers:

*Elements you can design to create change.*

## Top three hacks:

*Hacks should be fast, small-scale, and require minimal resources or planning. Something you can do next week.*
