

# Design Thinking: Take It Home!

Congratulations! You completed a full design cycle today!

Based in your experience, what is a challenge you face at work that you want to tackle using design thinking?

A Challenge:

In the hexagons, brainstorm what you might try for each of the phases of the process, in order to tackle your challenge.

Now, pick one thing to try in the next week. This one experiment won't solve your problem, but will start you on the process of learning more.

What is one thing you are going to try next week?
